Approximate Ground Shipping (Based on product total) 1-14 Business day delivery guarantee/48 continental US*

SHIPPING LESS THAN 10% OF ORDER

Our shipping is calculated live online using FedEx Ground, USPS, etc. to provide the lowest shipping possible. Your shipping fees will usually be less than 10% of your product total, but not less than $8.70, unless oversized, (such as manikins) or overweight (such as liquids.)

If your shipping will exceed 10% we will contact you before processing, otherwise, you will receive your total charge via email receipt.

Thank you, we appreciate your business.
Have a Safe Day!™

If you require **Express Shipping** beyond our normal 1-14 business days, please indicate this on your order form and leave the shipping & handling blank…we will determine express shipping rate to your address, and fax back to you for final approval. You may also call to place an Express Order, or place an Express Order online.

(Please follow the above process for **HI, AK, PR**, & **Canadian** Shipping Quotes)

Signing this agreement indicates your acceptance of the terms and conditions as stated online under the Online Shipping & Return Policies and with the terms of this form. In addition, you authorize www.First-Aid-Product.com to charge customer credit card for the items ordered, shipping and handling charges and any applicable sales tax. *If overweight, oversize or ORM-D fees apply we will call you before processing.
