Safetec® Sanizide Plus® Germicidal Wipes

Sanizide Plus® Germicidal Wipes are pre-saturated hard surface wipes that kill TB, MRSA, VRE, E. Coli and more in 10 minutes and HIV-1 in 2 minutes. When you reach for a Sanizide Plus® Wipe you get a wipe that is clean wipe after wipe. The towelettes leave behind virtually no lint or particles to scratch or contaminate surfaces. Our dual quat, alcohol free formula is non-flammable, safe to ship and non-corrosive on surfaces. Sanizide Plus® Wipes are ready-to-use, convenient and user-friendly.
